## ASSEMBLY INSTRUCTIONS

Item number:08253/08255

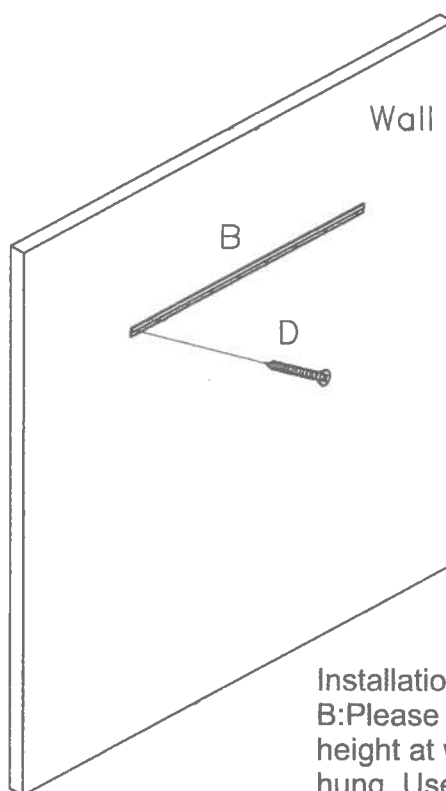

### COMPONENT LIST

No.	Description	Q'ty
A	 Mirror	1
B	 Cleat L=34inch	1
C	 Anchors Ø7*1.5inch	9
D	 Screw Ø8*1.57inch	9

### Vertical Mirror

Step 1

Step 2

Installation of the Metal Cleat  
B: Please measure the desired height at which the mirror will be hung. Use a power drill to drill holes into the wall. Then, according to the instructions in Step 2, install the Cleat on the wall using Anchors C and screws D

**Very Important: The wall cleat needs to screw into at least two wall studs.  
For screws that will not hit a stud, anchors must be used.**
