1. Take the parts carefully out of the carton, and place them on a flat and soft surface. Make sure the parts will not be damaged.
2. Place the marble top (A) on the top of Iron Base (B).
3. Assemble the marble top (A) on Iron Base (B) using 4 Screws provided.
4. Attach 3 pcs of felt pad (D) to the bottom of the table legs
5. Assembly complete.
6. Important Note : Please always use this table against wall for your safety.

- 1.To avoid table tipping over, please read all instructions carefully and completely before beginning use.
2. Save all packing materials until table is secured on wall to avoid accidentally discarding any parts or hardware.

**Part and hardware list**

A	B	C	Tool needed but not supplied
Metal Bracket	2" Screw	Plastic Strap	Pencil-one pc,tape measure-one pc, screw driver pc,
2PCS	2PCS	2PCS	

**Anti- tipping Instructions**

1. Use a pencil to mark desired location for screw on wall. The location must be lower than the height of table, close table top at the two corners of the table frame. Locate the metal bracket (A) on the wall and attach it through the smaller hole to the wall using 2" screw ( B ) provided in plastic bag.
- 2.Place table near wall. Then lace the end of plastic strap ( C ) through the large hole of the metal bracket pre-mounted on the wall and two corners on the table top. Tie them together securely.
