

Assembly Instructions

STYLE: W23054

Parts List

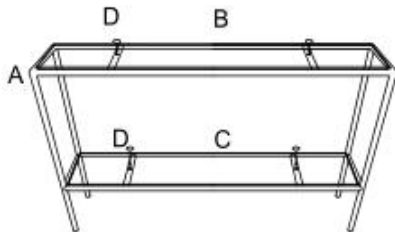

A	Metal Table	1PC
B	Top Tempered Glass	1PC
C	Bottom Tempered Glass	1PC
D	Screw with head	4PCS

1. Take all parts carefully out of the carton and place on a soft, flat surface to be sure no parts are damaged.

2. Place Metal Table (A) on a soft, flat surface. Insert the Top Tempered Glass (B) into the Table (A) top and insert the Bottom Tempered Glass (C) into the Table (A) metal shelf.

3. Place two Screws (D) into the holes in Tempered Glass (B) and tighten to attach to the top of Table (A). Repeat for the tempered glass on the metal shelf. Assembly is complete.

4. If the table is unsteady, adjust the levelers underneath each foot to level.

NOTE: If needed, use the included anti-tip hardware to secure the table against a wall.

To Clean, wipe with soft dry cloth.
