- Please take the time to identify the parts as well as the individual components to this product.
- As you unpack and prepare for assembly, place the contents on a carpeted or padded area to protect them from damage.
- Do not throw away packaging materials until assembly is complete.
- Proper assembly of this item requires two people.

Assembled View

## Assembly:

- Fix the Back plate vertically on the wall with 3 anchors & screws.
- Attach the cover plate on the back plate by securing brass finials (4) on it.
- Now fit the hurricane frame by sliding it in to the hollow tube on the cover plate.
- Slide the glass hurricane on to the hurricane frame as shown below.
- The Tapered Hurricane Wall Sconce is now ready to use.
- Hardware may loosen overtime. Periodically check that all connections are tight, including the Brass Cuff/Bush fixed on the Sconce arm.
