

A diagram of a trapezoidal structure. At the top, a rectangular block is labeled "FINIAL" with a line pointing to it. Below the block is a circular base. A horizontal dimension line above the trapezoid is labeled "CD". Inside the trapezoid, a light bulb is labeled "H" and a resistor is labeled "R". A dashed green arc is shown to the right of the resistor.

- CAUTION: IN ACCORDANCE WITH THE UL REGULATION, THE SHADE SHOULD BE OPEN TOP & OPEN BOTTOM AND "CD" IS BIGGER THAN OR EQUALS TO 4-1/2", "R" IS NOT SMALLER THAN 4-3/4" OR MAY CAUSE FIRE. "H" IS 3½".**

NOTE: THE DRAWING OF THE LAMP BODY IS FOR REFERENCE ONLY.
